# CODE

Citizens  
toward  
Overseas  
Disaster  
Emergency

“To help one another when they are at the difficult time”

We thankfully had a huge support from over 70 countries when the Great Hanshin Awaji Earthquake hit Kobe on 17th January 1995. CODE was established to return our thankfulness. We have been supporting 35 countries and regions and implementing relief

# The situation of Infection in Japan (4/16)

Ministry of Health ,Labour & Welfare
