Apr.17					4th IACCR		
Apr.24						Replies?	NHK TV

# Current Research

- × I realized that this network (IACCR itself) is a field as well as Suita, so I keep taking fieldnotes and will write an ethnography.
- × Some Research Questions
  - × How can volunteers be with survivors?
  - × How can we transfer the understandable knowledge?
  - × How can we keep balance between now-here issues and historical-global issues?
